Urban Freight Consolidation in Bath (UK)

Aim

- Develop and implement a Freight Consolidation Depot serving the neighbouring cities of Bath and Bristol

What has been achieved

- Comprehensive survey of retailers
- Implementation of a shared freight consolidation depot in partnership with Bristol County Council
- Improvement of the pedestrian environment in the centre.
- At the end of the project, 20 retail outlets were participating in the scheme, and **the number of deliveries** they received was **reduced by 76 percent**. The electric vehicle used to dispatch the goods into central Bath achieved a 56 percent reduction in energy consumption.
